PROFILE

Web Designer & Developer with hands-on experience creating and maintaining responsive website pages, campaign landing pages, and content-focused web experiences. Interested in clear visual hierarchy, accessible layouts, and practical front-end solutions.

WORK EXPERIENCE

Web Designer & Developer — Dudes & Dolls School

9 August 2022 – Present

- Design and update website pages with a focus on clear layout, consistent styling, and usability.
- Build and refine responsive interfaces for desktop and mobile screens using front-end technologies.
- Create and maintain campaign landing pages and website content sections, including blog and event-related pages.
- Prepare and optimize visual assets and check page presentation across screen sizes.

SELECTED WORK

Dudes & Dolls World — Website, campaign landing page, blog and event content.

The House of Aakar — Brand website and responsive presentation.

AI Claude project — Independent front-end interface experiment.
